A~h... What a relief... So it was obligation chocolate from your classmates...

I was surprised by it.

It's the first time I've gotten this many...

I guess those scenes in mangas really do happen

ah, this is easy

I worked really hard so I wouldn't lose to Fish-san.

But I didn't have to worry!

Kasumi... You're here?

Onii-chan...

Hey...

What's with that mountain of chocolate...?

Kasumi... Wakasa is a merman...

Fish-san, haven't you given too many!!?

don't forget it

It sounded like it fell before after all.

Thanks for the chocolate

ガーン

Nooo!!

I can't give you thiiiis!!

You can't eat iiiit!!

Ev...

Even if it looks like that I'll eat it so don't worry...

Why are there octopus legs?

it got all squished!!

Even though I worked so hard on it...!

ラーメーン

ニコニコ

Now now.

before you start crying and causing trouble for Tatsumi, you should remake it.

Or are your feelings limited to only this?

Bravo!

he got used to her.

Yes

I can do much better!

th.

that's not it!!

Hey hey, senpai!

This is hard to put in the bowl, what are we supposed to do!?

ジー

Really, Sakana-san,

you know, you melt it in the bath!

Sure! It's not fun to do it alone!

Can I help!?

though I've never done it before!!

Why did it turn out like this?

Senpaiii!!

Se-senpai!? !!!

ド!!

You're wrong.

a simple recipe where you can just put everything in the bowl ♥

Then should we do chocolate brownies?

...but before that

カカカカ

You can't use stuff from the bath.

you do it like this

slime

water

Don't put in anything besides the written ingredients, okay?

particularly weird stuff

sweets

Because we're making it for Onii-chan!!

That's why I'm worried.

ぐいっ ぐいっ

Really! You can't do it, Onii-chan!!

A merman and my sister are making sweets in a friendly atmosphere...

Maybe I should heat the oven.

Was thrown out

then let's make it twice as sweet!

should we put in more chocolate too?

lets!!

i see!

That's why he makes such strong cocoa!

Onii-chan might not look it, but he loves sweets!

...well, whatever...

The two on standby while the oven is working.

Sakana-san?

...what is it.

...hey, what're you adding octopus?

What if it's takasu...

Why...?

Because Onii-chan loves octopus.

Takasu?

I want to add only things he likes.

ぶちん

ぶちん

Hm?

Well... You know...

ふーふー

I was thinking, humans are really busy with all these events.

this is my first valentine

...you didn't do it at Sakana-san's house?

ビリリ

Yeah, I didn't.

That so...

It's nice with how much love is put in it!

Then how about this!?

ビリリ

How far out in the backwater did you live!?

what about electricity!?

didn't have it

!?

Before it was baked, Tatsumi removed the octopus and made it delicious in other ways.

What should we do!?

Waah, how wonderful!!

It's like a flower!!

Waah.

it looks really tasty!

ぼふっ!

It's finished.

...but you know!

コホン!

Because if we don't it'll be tomorrow soon!

ハイ

Then we just have to wait for it to cool---

wait, you're gonna eat it already?

ナリ

Then you just have to do everything you haven't done yet from now on.

Onii-chan will do it with you.

...yes...

Here, this is for Onii-chan.
